

Don't Wait Until You Graduate Schedule

The schedule below outlines the dates and outcomes for each session which will be held on second and fourth Thursdays of each month on Zoom from 6PM until 8PM MST. There will be an optional meet and greet and mentoring sessions on the first and third Thursdays from 6PM until 8PM MST.

March 11

Week One: Brain Dump (Optional)

- Dig into ideas and passions to discover a clear path and solidify your career goal or business idea
- Conceptualize and discover your skills and talents. Participants do not need to prepare anything—just come with an open mind
- *This is an optional session for those participants who may still be in the brainstorming phase, and may not have a concrete plan or goal*

March 18

Meet and Greet (Optional)

- Meet the other participants and discuss what you hope to gain from the program
- Get a head start on building your network with your peers
- Participate in an “ask me anything” session with Emily

March 25

Week 2: Dream Planning

- Think big about your potential and how you can reach it
- Create short and long term tangible and measurable goals that reflect your wildest dreams
- Hold yourself accountable to taking action

April 1

Optional Mentoring

- Four half-hour one-on-one mentorship sessions available

Don't Wait Until You Graduate Schedule

April 8

Week 3: Balancing the Busyness

- Learn the tools and practices needed to successfully balance work, school, life, and travel
- Life hack your calendar, mental capacity, and workload
- Discover the possibilities of remote work—even after the pandemic

April 15

Optional Mentoring

- Four half-hour one-on-one mentorship sessions available

April 22

Week 4: Balancing the Budget

- Set yourself up for financial success and learn the ropes of bootstrapping your business
- Step away from the “struggling student stigma” and learn to make money your friend
- Invest in yourself and your business or career

April 29

Optional Mentoring

- Four half-hour one-on-one mentorship sessions available

May 6

Week 5: Connections and Community

- Utilize your current social network to make connections
- Build your community through your hyperlocal networks—forget about those awful networking events
- Foster the confidence to ask for what you want (you’ll be surprised at the outcome)

Don't Wait Until You Graduate Schedule

May 13

Optional Mentoring

- Four half-hour one-on-one mentorship sessions available

May 20

Week 6: Envisioning

- Work through a Business Model Canvas to elevate your business idea or a Career Action Plan
- Take the first steps in the pursuit of your goals

May 27

Optional Mentoring

- Four half-hour one-on-one mentorship sessions available

June 3

Week 7: Empowering Entrepreneurs

- Start the active job hunt or your business with a stocked toolkit and resources to reach your goals
- Access professional networks, mentors, and job opportunities and crush your interviews
- Pitch your business idea and learn the ins-and-outs of getting your first paying customer

June 10

Optional Mentoring

- Four half-hour one-on-one mentorship sessions available
